Additional Information:

The processing time is a good faith estimate and may change depending on the volume of work received at our offices and the resources available at the Secretary of State's office. Please do not book any appointments or make any reservations until your documents are complete and delivered back to your return address. Orders over \$500 will require a signature upon delivery. Please expect additional delays during the summer season (June through September) and during the Holiday season (November through January). FedEx interoffice shipping fee is \$35. **FedEx/UPS international priority shipping fee is \$100 to most countries. By sending in your documents, you accept the Terms and Conditions listed on our website. Documents requiring County Clerk authentication are assessed \$155 for the first document and \$115 for each additional.

Notarized Documents: Documents improperly notarized and returned by the State are immediately assessed a \$125 non-refundable fee. If your documents require notarization, please be sure to find an experienced notary public with a minimum of 5 years of service. In addition to the notary's stamp and signature, the notary must also include proper notarial wording. The notary can reference their notary handbook provided by the state. If the notary makes a mistake, your documents will be rejected, and you will have to start over costing you time and money.

Our volume discount fee for each apostille applies to 10+ documents mailed in at the same time and originating from the same state. Certain restrictions apply. Please contact us for details.

➔ Please translate my document(s) from English into the following language:

Yes, I have counted the words on my document(s) and understand the cost for the translation service (see below).

Yes, I understand that the State apostille and/or the certificates attached will also be translated. The cost for each is \$95.

Your Name: _____ Company Name (Optional): _____

Phone Number: _____ Email Address (Print Clearly): _____

Processing time:

1-3 business days (Excluding Saturday, Sunday, & Major Holidays). If translating your documents takes longer than three business days, we will contact you with an update. Your documents will be submitted for translation once we have authenticated your original documents through the County (if required), State, and/or U.S. Federal Government office. We will then ship your original authenticated documents back to you by FedEx or UPS before we submit them for translation. Once your translation has been completed, it will be emailed to you.

Cost for Translation Service:

The cost is \$95 for up to 250 words or less, one-sided, and on a standard 8.5" x 11" dimension page or smaller. Each page is counted individually, and it is not based on a cumulative total. Any excess over 250 words per page (one-sided), will be billed an additional \$95 per 250 words per page one-sided. The cost for the translation service will be billed separately from the apostille or document certification service. You will see more than one charge on your credit card statement.

Important Disclaimer:

Our translators are not international lawyers or representatives of other countries. They do not know the laws of other countries or the specific requirements of the Embassy or Consulate offices. The translator's responsibility is to only translate your documents from English into the language you choose above. The translation will not be notarized nor will it be printed on any special paper. The translation itself will not be apostilled. Difficult to read documents cannot be translated. Once the translation is complete, it will be emailed to you. The cover letter of the translation will be written in English. The translation will not delay the processing of your original documents as they will be shipped back to you by FedEx or UPS once done. We can only translate documents that we apostille. There are no refunds for the translation service, but we will quickly fix any errors that are found.
